# SUMMER 2018 CAMPS

camps for kids who are deaf or hard of hearing

## Hands-On!

### An Artistic Adventure

June 17 — 22, 2018  
Entering 3rd – 12th grade  
Council Bluffs

Get messy, get creative, and bring that imagination to the drawing table during a week-long adventure into the world of art. At this camp, students will dabble in a variety of mediums resulting in priceless take-homes!

## Treasure Hunters

July 8 – 13, 2018  
Entering 1st – 12th grade  
Council Bluffs

This camp is where Pickers meet the Escape Room. You'll use technology and good old-fashioned sleuthing skills to find treasure, outwit other teams in scavenger hunts, learn mapping skills, and even problem-solve through a breakout scenario! You will also be making and taking home your own creations that will be, of course, treasures!

## Sports Camps

Volleyball: July 15 – 19, 2018  
Football: July 15 – 19, 2018

We get it, because we've been there. Playing sports can be tricky- how do you know the plays if you can't hear them? Should you watch your coach, or keep your eyes on the ball? Aside from sport-specifics, these camps will explore how to work with your coaches and teammates so your abilities develop and shine. These camps are for all skills: beginner to advanced. Football is a non-contact camp.

We're  
communication-  
friendly!

If you sign, voice or  
both, these camps are  
language accessible.

Just \$50 for a week!\*

Scholarships available.

We'll take you home  
after camp!
