

# iowa school for the deaf

## Volleyball Camp

### skills & fundamentals

We get it, because we've been there. Sometimes it's tricky to play school sports when you are hard of hearing or deaf. Are your hearing aids safe on the field? How do you know the plays if you can't hear them called? Should you be watching your coach for feedback, or keeping your eye on the ball? Together, we'll strategize how to work with your coach and hearing teammates so your focus stays on the court and your abilities shine!

Noon, July 15 - Noon, July 19, 2018

Entering grades 7 - 12th

ISD provides transportation home at end of camp

\$50 for the week/scholarships available
