for the Deaf

STEM days at ISD

IT'S FREE!

March 11* - 13, 2020

*Arrive Tuesday night, March 10 | Dismiss Friday, March 13 at 11.30 a.m.

For students who are deaf or hard of hearing in 6th - 8th grades

Students will experience:

- New friends who are deaf and hard of hearing
- STEM career exploration as they begin transition planning
- This event supports Career Education standards under the Expanded Iowa Core for the Deaf and Hard of Hearing
- A language-rich environment for students to interact with peers who are deaf and hard of hearing
- Adult role models who are deaf and hard of hearing to provide students with a positive outlook for their futures
- Three days full of activities, labs and investigations that support Iowa's NGSS life science standards
- Access to sign language and English, depending on their needs

Free transportation for Iowa residents: pick up Tuesday night and drop off on Friday afternoon. Stay in campus dorms.

Email ljenkins@iowaschoolforthe deaf.org for more information.

"My students returned with new knowledge that expanded and supported their current curriculum, and a group of new friends. I'm excited to again send students for this experience!"
